Gentlemen:

I am assuming that your Committee enjoys the ordinary privileges of tax exemption which are customarily extended to operations of a private nature established for philanthropic or other public purposes.

Provided my assumption is correct, I am wondering if you have any literature which would describe the purposes of your Committee in detail, when it was founded and by whom and the specific character of its operations. If you have this in convenient form, I would greatly appreciate receiving a copy.

In appreciation of your kindness with respect to the above request, I am,

Very sincerely yours,
